

# DÁVID MICHALCO

## Experience

### Quality control

2017 - 2019

Checking fruits and vegetables that came to our Ware house if anything was wrong I made report about it and pack it and send back.

### Junior Software Engineer

01.12.2020 – 31.12.2020

As a Junior Software Engineer I am working mainly with Python focused on data analysis. But also HTML, Git, Jupyter Notebook, CSS, JS.

This was only project oriented job for one month.

## Education
